## INTRODUCTION

The Bajaj Sunny is the most elegant and stylish 50 cc vehicle on Indian roads. It comes from the house of Bajaj, India's top 2 & 3-wheeler manufacturer, with the experience of producing over 3 million vehicles. And carries Bajaj Auto's commitment to top quality, high reliability and low cost, through advanced mass production manufacturing, which is legendary.

## CHASSIS

Strong tubular chassis for rattle free riding, with outstanding durability and long life.

## ENGINE

Powerful 2 stroke, 4 port single cylinder with reed valve controlled fuel induction. It develops 2.8 BHP at 6500 rpm and has electronic ignition for good fuel economy, reliable operations and excellent top speed of 50 km per hour. The floating link engine foundation technology has been used to reduce engine vibration.

## TRANSMISSION

Centrifugal wet clutch, primary chain and secondary gear, eliminate the problems of frequent belt tightening as in the case of other 50 cc vehicles and the superior oil dipped chain & gear transmission, results in negligible power loss.

## ELECTRICALS

Powerful 12 V, 40 watt, electrical system, with 35 W headlight, 21 W brake light and 5 W tail light, with voltage regulator makes Bajaj Sunny the safest 50 cc vehicle to ride, even in the night.

## SEAT

Really comfortable extra-wide seat for two for both long run and city double-seat riding.

## SPARE WHEEL

Located in the front, the assurance of a sparety which no other 50 cc vehicle offers. Moreover, this too without compromising on leg space for the rider.

## A SAFE BET

Bajaj Sunny has a lockable luggage space under the seat, lockable fuel tank too. It also has a steering cum ignition lock to safeguard against theft.

## DEALER:

**BIC IMPORT**  
Brunnsgatan 26 B  
553 17 JÖNKÖPING  
Tfn: 036-16 75 42

## MANY OTHER FEATURES

- Kick start to avoid pedalling
- Easy removal of wheels
- Easy accessibility of parts for maintenance
- High gloss durable paint coating in attractive colours
- Large capacity 3.5 litre fuel tank with 0.7 litre in reserve, for long runs.

## MAIN TECHNICAL SPECIFICATIONS

ENGINE	2 stroke, single cylinder, 48.36cc <sup>3</sup> displacement, reed valve intake developing 2.8 BHP at 6500 rpm
IGNITION	Electronic CDI
CLUTCH	Wet, cast-iron
FRAME	Tubular construction
BRAKES	Mechanical expanding shoe type
	110mm dia x 25mm wide

WHEELS/TYRES	Front: 10x1.5 in 2.75 - 10 1/2 in Rear: 10x1.5 in 2.75 - 10 1/2 in
--------------	---

WHEEL BASE	1145 mm
GROUND CLEARANCE	100 mm
WEIGHT (DRY)	60 kg
MAX. SPEED	50 km/hr
PETROL TANK CAPACITY	Full: 3.5 litre Reserve: 0.7 litre
